Our wassail is made of an elberry bough
Although my good neighbour we'll drink unto thou
Beside all others we have apples in store
Pray let us come in for 'tis cold by the door

Now	We know by the sky that we are not too high	Tops
Men	and we know by the stars that we are not too far	Middles
Women	We know by the moon that we are not too soon	All
ALL	And we know by the ground that we are within sound	

Now master and mistress thanks to you we give
And for our jolly wassail as long as we live
And if we should live till another good year
Perhaps we may call and see who do live here.
